

AGILITY I, II, III... Instructor... Jane Attaman

These classes will continue to build on the basics you learned in Intro to Obstacles and continue to teach you with your pet as you advance through all the obstacles, learn handling techniques, front and rear crosses, problem solving, and off leash handling.

This instructor has trained, shown, and instructed dog classes for nearly 15 years. These have spanned over obedience and conformation, but agility is her passion. She holds agility titles in USDAA, NDAC, and AKC.
