

INTRODUCTION TO OBSTACLES...

Instructor Andrea Golombek DVM

This class is geared toward the FIRST experience in AGILITY for dogs and their owners. We begin with introductions to low jumps, tunnels, the tire, pause table, and weaves. The importance of play and praise and “getting the attention” of your new sports fan will be part of this class. In addition, we will continue to work on sits, downs, stays, recalls, and the beginning of hand directionals.

This instructor has practiced veterinary medicine for 6 years, runs three of her dogs in CPE/AKC agility, and has a special interest in training and behavior

- Are you interested in a fun and exciting dog/people sport????
- All are welcome whether seeking to compete or looking for fun and exercise with your canine companion.
- For dogs ages 6 months and older
- Need to have a basic knowledge of sit, stay, and recall.
(Learned behaviors that can be picked up in Puppy Positive, Basic Obedience, Reality Dog Classes)

Class sign up includes one free day of daycare if passes free evaluation
